WDA and West Region: There is a difference

One of the misunderstandings is the Western Dakota Association (WDA) and West Region are one in the same.

Well, yes and no.

The WDA is the conference which now includes 12 full members and three associate members. The WDA awards championships in a number of team sports, based on finish in the regular season standings, or at a designated event, such as the WDA swimming-diving championships. The West Region is the name of the postseason tournament administered by the NDHSAA in such sports as basketball, volleyball, wrestling and hockey. Although these tournaments feature WDA participants, it is not a conference event, but rather, sponsored by the NDHSAA. The winners are classified as a NDHSAA region champion.

Some team sports don't compile standings, for example, track and field. In this instance, the winner of the West Region Meet is deemed both a region and WDA champion.

The Western Dakota Association (WDA) has the distinction of being North Dakota's oldest Class A high school athletic conference – and its most successful. Now in its 85th year, the conference has produced over 400 state team championships and numerous individual titles sponsored through the North Dakota High School Activities Association (NDHSAA).

The WDA was established in 1938 by five schools – Bismarck (Central) High, Dickinson (Central), Mandan, Minot and Williston. Since then, the WDA has expanded its membership and the number of sponsored sports/activities. Today, the five charter schools along with St. Mary's of Bismarck, Jamestown, Bismarck Century, Turtle Mountain Community High School of Belcourt, Bismarck Legacy, Watford City and Minot North give the conference 12 members. Bottineau-Rugby and Hazen-Beulah are associate members in boys' hockey and Northwest Stars (Ray-Stanley-Tioga) is an associate member for gymnastics.

The conference sponsors team championships in boys and girls sports administered by the NDHSAA. Football was the first sport the WDA awarded a regular season champion. Today, there are 23 sports conducted over three sports seasons. The fall season includes: football, volleyball, cross country (Boys/Girls), soccer (B), swimming and diving (G), tennis (B) and golf (G). The winter season: basketball (B/G), wrestling, hockey (B/G), gymnastics and swimming and diving (B). The spring season: track (B/G), baseball, softball, golf (B), tennis (G), soccer (G). In addition to annual team and individual conference awards, the WDA recognizes outstanding academic achievement through team and individual scholar athlete awards and scholarship. The conference celebrated its 75th anniversary in 2013-14.

Formation and expansion

In the late 1930s, North Dakota's largest high schools, determined by enrollment, were part of an East-West Class A Conference recognized by the High School League (later to be renamed the NDHSAA). To keep travel costs to a minimum, and mainly out of convenience, schools would schedule football games against schools in their immediate area.

Unfortunately, schools based in far western N.D. had a more difficult time filling their schedules since they had fewer programs of comparable size around them. These schools often would resort to playing teams from neighboring Montana. To remedy this problem and create continuity in football scheduling, five schools – Bismarck (Central) High, Dickinson (Central), Mandan, Minot and Williston – agreed to form a western division within the Class A East-West Conference. And with that, the Western Dakota Association was created in 1938.

The look of the conference has changed over its eight-plus decades of existence. It expanded from its original five schools to eight in 1944 when St. Mary's of Bismarck, St. Leo's of Minot (later to be known as Bishop Ryan) and Jamestown joined. St. Leo's initial stay was brief, however. After one season it left the conference to compete against smaller schools in its region. St. Leo's returned for two football seasons in 1952-53. In 1954, Rugby was admitted and participated in the football conference.

A significant change happened in the spring of 1960. Class A schools agreed to discontinue the current East-West Division format used in such sports as football and basketball.

At a meeting in Jamestown in April, representatives from 10 schools agreed to expand the WDA's oversight in other sports and activities. The 10 schools were: Bismarck, Bismarck St. Mary's, Dickinson, Jamestown, Mandan, Minot, Williston along with Minot Bishop Ryan, Harvey and Rugby. As part of the association, schools agreed to play a round robin schedule of games, beginning in 1961. Rugby, Harvey and Minot Bishop Ryan, however, opted not to field a team for football, so the number of WDA football participants was seven. And speaking of football, the most significant change to come out of the decision to do away with the Class A East-West Divisions was the discontinuation of the end-of-season title football game between the winner of the East Division and WDA (West Division). That decision was not unanimous. A majority of coaches and school officials in western N.D. wanted the game to continue to assure an annual champion in the sport. Opponents, schools in the East, pointed to weather and distance of travel as factors in opposing the late-season contest.

Jamestown departed the WDA in 1963 and competed as a Class A independent before becoming a charter member of the Eastern Dakota Conference in 1968. Minot Bishop Ryan rejoined the conference as full members in 1964. Rugby and Harvey left the conference in the mid-1960s. Dickinson Trinity was added in 1969 as a football member and eventually became a full member.

Membership remained at eight until Bismarck Century opened in 1975. With the exception of its tennis program, Minot Ryan would leave the conference in 1977 and participate as a Class A independent before joining the North Star Conference in 1980. Four associate members – Bottineau, Devils Lake, Jamestown and Park River – were added to the conference in boys hockey, beginning in 1980 when the NDHSAA established a West and East region for the sport. Park River would leave after just two seasons and eventually co-op with neighboring Grafton. Bottineau, Harvey and Turtle Mountain Community High School (Belcourt) would compete as associate members in girls volleyball, beginning in 1982. Also that year, Minot Bishop Ryan's gymnastics program competed in the WDA.

TMCHS would join as a full member in the fall of 1990 after the Class A North Star Conference disbanded following the spring of that year. Its football program would play in the conference from 1993-96.

In 1990, Minot Ryan would return to the WDA except for football, which would remain independent. Minot Ryan and Dickinson Trinity left following the 1991 sports

season to compete in Class B in all sports except tennis, which would remain part of the WDA.

In 1992, Hazen-Beulah was added as an associate member in hockey. Center would participate in boys swimming and diving as an associate member, starting with the 1993-94 season. Jamestown's soccer programs competed as an associate member, beginning in 1995. The Blue Jays hockey program moved to the EDC/East Region in 1996. The school was already competing in the EDC/East Region for most activities. Dickinson Trinity would no longer participate as a full member in tennis after 1996. Instead, the school would co-op with Dickinson.

In 1997, Jamestown would return to the WDA as a football member as part of the restructuring of the sport by the NDHSAA into four classes. Center would leave the conference in 1999 as an associate member in boys swimming/diving. Beulah joined the WDA in a few fall sports in 1998 and then joined as full members 1999. Rising student enrollment forced the school to move up from Class B. Beulah would return to Class B competition in the fall of 2006.

In 2006, under a directive by the NDHSAA, Jamestown was realigned in the West Region for all activities, and thus rejoined the WDA. Devils Lake-Cando, an associate member in boys hockey, would move to the EDC/East Region, starting in 2006. Jamestown's football program would return to the EDC for one season in 2009 to create balance among the two AAA football leagues. The Blue Jays would return to the WDA in 2010 after Fargo Davies opened and began play in the EDC. Minot Bishop Ryan would play its final seasons as an independent tennis program in 2009-10. The Lions would eventually enter a co-op with Minot. Bishop Ryan would join the WDA as an associate member in girls softball in 2009. The Lions would move to Class B softball in 2018. Bismarck Legacy joined the conference in 2014 and quickly enjoyed success in a number of sports.

In the fall of 2018, Watford City joined as a full WDA member. The Wolves previously competed in Class B and have a storied football program. In the fall of 2022, the WDA's 12th full member, Minot North began varsity play in girls' golf. And by 2023-24, will already have five varsity programs in play.

COVID-19

In the late winter of 2020, the COVID-19 pandemic reached the United States. In response to the rising threat of infection, a national emergency declaration was called. Schools were forced to shutdown to slow the spread of the virus. As a result, the remaining winter sports postseason tournaments, including the remainder of the Class A basketball tournament was suspended and eventually canceled. The NDHSAA also suspended and canceled the remaining fine arts competitions for winter and early spring. And finally, in May, NDHSAA officials canceled the spring sports season. COVID also forced schools officials to make changes to the 2020-21 season to safeguard athletes, coaches and game officials as well as lower COVID risks. Conference-only play was implemented in many activities and some region and state tournament formats were modified to limit crowds and the spread of the virus.

Sports offerings increase

Membership in the WDA is not the only thing that has expanded in 75 years. The evolution of high school athletics/activities has changed the dynamics of the conference as well. Football and boys basketball were the two competitive sports sponsored in the formative years of high school athletics in the state, but wrestling, track and field, tennis, cross country, golf and hockey would come along. Many schools had established girls sports on a recreational or intramural level by the 1960s, but girls sports would make significant advancement in the decade with the inclusion of track and field, golf, tennis and gymnastics as NDHSAA-sponsored activities.

The 1970s brought additional sports under NDHSAA control, including boys and girls swimming and diving, girls basketball and girls cross country. Beginning in 1982, Class A volleyball would officially be sponsored at the regional level, and a year later, at the state tournament level.

Several schools across the state began boys soccer programs in the late 1980s. The NDHSAA would eventually sponsor the sport in 1995. Girls soccer would also be offered. Baseball, which already was an established Class B sport, would get NDHSAA sponsorship at the Class A level by 2000. The start of a new millennium brought continued advancement in girls athletics. Hockey was added in 2002 and softball began play in the spring of 2010. In the 2021-22 season, girls' wrestling was formally introduced as a NDHSAA-sponsored sport. Today, there are 23 sports featured.

WDA athletes have moved on to compete at the highest levels of collegiate athletics in their respective sports and several have even reached the professional level, further demonstrating the conference's excellence. Several coaches have also achieved significant milestones as well national coaching awards and honors.

More changes

Over the years changes have also come in the form of new rules, regulations and standards of play directed by the National High School Federation and NDHSAA. Technological advancements and improvements in equipment have enhanced competition and player safety. Other important changes have included greater emphasis on the safety of participants and proper training methods. Coaching development programs have been developed and attention given to promoting the practice of good sportsmanship by athletes, coaches and spectators.

Throughout its rich history, the WDA has demonstrated success in high school extracurricular activities can be built on a foundation of character, values and academics.

SEASON NOTES

*This was the 84th season of WDA/West Region play.

*The regular season again featured a handful of crossover games between Class A and AA teams.

*Jamestown won back-to-back state championships for the first time in school history. The Blue Jay defeated Fargo North in the Class A title game.

*Mandan, Minot High, Legacy and Century qualified for the AA playoffs.

*Jamestown and Dickinson qualified for the A playoffs.

*Despite losing its first five games, Century advanced to the AA championship, before falling to Fargo Shanley. The Patriots won road games in the quarterfinal and semifinal round.

*Due to the AA scheduling format, WDA AA teams did not play a round robin schedule. Only Minot High played every WDA AA team. As a result, there was no true conference champion. Mandan did have the best Quality Results Formula (QRF) ranking among WDA AA teams.

*For the first time since 2008, St. Mary's participated in the highest level of 11-man classifications in the state.

*Bismarck High's streak of consecutive playoff appearances ended after 32 seasons.

*Mandan won its first home playoff game since 2001.

*Fargo Shanley won its first state title since 2018 and first state title in the highest 11-man classification since 1983.

*Mandan's Karsyn Jablonski was named AA region and state senior athlete of the year.

*Mandan's Todd Sheldon was named WDA coach of the year.

*Jamestown's Payton Hochhalter was named A region and state senior athlete of

the year.

*Jamestown's Bill Nelson was named A West region and state coach of the year.

*Mandan's Lincon Wiseman led the AA WDA in rushing, 967 yards and 13 TD; Max Carlson of Mandan was the top quarterback, throwing for 1471 (71-118-8) and 13 TD. Karsyn Jablonski of Mandan was the top receiver, 741 yards on 33 catches and 4 TD in regular season play.

*In the spring of 2023, long-time St. Mary's coach Dan Smrekar announced he was stepping down. Smrekar amassed 295 wins and eight state titles, 14 conference crowns in his 45 years as head coach of the program.

*All-WDA/AA and A W. Region selections: **Bismarck High:** Jayden Sherwin; **Bismarck Century:** Joel Edland*, Jacob Burckhard*, Ryan Brynjolfson*, Mason Riegel*, **Bismarck Legacy:** Logan Miller*, Alex Wetstein, Carl Henry, Jaxon Kellogg*, Vegas George*, Wyatt Kraft; **Bismarck St. Mary's:** Paul Vetter, Matthew Porter, Jaxyn Richter, Caden Willer; **Dickinson:** Ben Carlson*, Landon Fichter, Kaden Krieg, Chase Seller*, Colin Tschetter, Max Wilkinson*; **Jamestown:** Aden Braun*, Ethan Gall*, Preston Gall*, Payton Hochhalter*, Tyson Jorissen, Colton Mewes*, Boe Nelson*, Jackson Walters*; **Mandan:** Max Carlson*, Lincon Wiseman*, Karsyn Jablonski*, Tahrye Frank*, Owen Gress*, Hunter Corbin*, Wyatt Piehl*, Devon Church; **Minot High:** Logan Conklin*, Kadyrn Turnbull*, Tyson Ruzick*, Michael George*, Jayden Spera; **TMCHS:** Kelly Davis, Stephen Leonard, Gannyn Monette, Louie Monette; **Watford City:** Joshua Chavez, Nivon Hayes, Jason Hogue*, Judd Johnson, Levi Musser; **Williston:** Isiah St. Romain, Micah Larson, Ty Wiedrich

SEASON NOTES

*This was the 71st season of WDA/West Region competition.

*Snow and cold conditions for the first part of April delayed the start of the outdoor season for several weeks.

*Century won its seventh Class A title in the last seven years and its sixth WDA championship. Legacy was runner-up in both the Class A and W. Region meet.

*A WDA team has won the past 19 state titles.

*Six WDA teams (Bismarck High, Century, Dickinson, Legacy, Minot High and Williston) had at least one individual or relay champion.

*Legacy's Dylan McGlothlin won three events (100, 200 and 400 meters).

*Williston's Ethan Moe won both the 800 and 1600 meter titles.

*Century's Brooks Turner won the 110 hurdles and high jump event.

*Bismarck High's 3200 meter relay team set a new state record, finishing in a time of 7:54.38 (Parker Hintz, Dawson Balzer, Tyler Wahl, Austin Wick). The previous record by a Minot High relay team was set in 1981.

*Five WDA teams (Bismarck High, Century, Dickinson, Jamestown, Mandan, Williston) won at least one event at the West Region Meet with Legacy leading the way with six.

*Legacy's Dylan McGlothlin was region and state senior athlete of the year.

*The Class A Meet was again held in Bismarck. Conditions for the three-day meet were pleasant with temperatures in mid to upper 70s and dry conditions.

*In June, a relay team from Legacy placed first in two events at the Nike Outdoor Nationals in Eugene, Oregon. The relay, made up of Nathan Mathern, Talen Farland, Reece Snow and Dylan McGlothlin, finished first in the 800 meter relay in a time of 1:24.75; and then won the 400 relay in a time of time of :41.42. WDA SENIOR SCHOLAR AWARD PROGRAM

Since 2009, the Western Dakota Association has recognized a boy and girl student-athlete annually through its WDA Senior Scholar Award.

The award, which is linked to the North Dakota Interscholastic Athletic Administrators Association (NDIAAA) scholarship program, is open to all conference members. At least one recipient from the conference's 11 full member schools has been honored.

Each member school can submit a completed application for one boy and one girl student-athlete to be considered for the WDA's \$500 scholarship award. The WDA is proud to have its, premiere partner, Farmers Union Insurance, a contributor to this project.

The conference activities directors review the applications and select the recipients which are announced in March. The winners join the other region scholarship recipients from the state who are then eligible for the state NDIAAA scholarship. The applications for the state winners are forwarded to a review panel at the sectional level. Sectional winners then qualify for the national award. The scholarships are paid directly to the higher education institution in which the recipient will attend.
